Message from the Chairman

Dear Friends,

Welcome to the 21st Annual India Fest, the cultural Festival of India in Hampton Roads.

On behalf of the India Fest Organization Committee, it gives me great privilege to invite everyone to this year's celebration of India Fest 2016 at Virginia Beach Convention Center. I welcome you all to explore and enjoy the vibrant cultures and traditions and Indian heritage. I hope you enjoy the educational activities with your kids, our cultural programs, harmony parade by community kids, fashion show and the delicious food from our great Nation!

Here through the seamless continuity of the day long cultural performances, we have tried to create the overarching majesty and diversity while capturing the essence of Indian culture. Daylong activities will show the blending of the ancient wisdom of India and the modern media of communication to achieve a unique impact. We hope that this will be not only an enjoyable experience but will help deepen understanding and appreciation of Indian culture and heritage.

On 20th Anniversary of India Fest, we introduced NETCON, a networking platform as integral part of INDIA FEST and received overwhelming response. The goal of NETCON is to provide Hampton Roads Businesses a platform for business development and networking at India Fest. We expect NETCON will provide more business connections and links for future opportunities for Hampton roads business community .

One of the main missions of AIHR is to promote education in families of Hampton Roads. To accomplish this mission, we introduced many educational and talent contests such as Writing & Poetry Competition, General Knowledge Quiz, Game challenges along with annual Art and Painting competition. The goal is to recognize talent and encourage school-age children to compete and shine in a highly competitive environment. AIHR will continue to provide support and educational scholarships to multi-talented and outstanding students from financially constrained families.

Deep commitment, dedication, tireless work, meticulous planning and a great deal of effort have gone into what you will all enjoy today. We thank the dynamic teams of volunteers. We take this opportunity to extend our sincere gratitude to the sponsors who supported India Fest 2016. Finally, we thank the community for the massive support and encouragement they provided to champion the event.

In conclusion, I want to take this opportunity to sincerely thank many AIHR volunteers, choreographers, performers, and committee members who worked tirelessly and put in thousands of hours to make India Fest a huge success. I want to thank our proud sponsors for their continued commitment and support without which this event would not be possible.

We will continue to live out our mission!!

I hope you will have a memorable day enjoying the cultural program, varied cuisine and have fun shopping at the booths.

Best wishes for peace and harmony amongst us all.

VIRGINIA

UNITED STATES SENATOR
WASHINGTON, D.C.

November 12, 2016

Dear Friends,

I am pleased to extend warm greetings to all who are gathered for Asian Indians of Hampton Roads' 21st Annual India Festival.

This event is a testament to the pride you take in your community and in the Commonwealth of Virginia. It provides a wonderful opportunity to celebrate the Indian culture through entertainment, the arts, and food. Your efforts to share your culture enrich the lives of those around you; I commend you for your work to honor and celebrate your heritage.

Since 2010, it has been my honor to serve as Co-Chair of the Senate India Caucus. Relations between the United States and India have never been stronger. From increasing trade links to maritime cooperation to reconstruction in Afghanistan, our two nations have developed a global strategic partnership. I will continue to search for ways to foster strong ties between the United States and India.

On this important occasion, I am very pleased to join with your family, friends, and community in wishing you the very best for a fulfilling and successful celebration.

Sincerely,

Welcome to India Fest 2016!

Old Dominion University is proud to serve as a grand sponsor. Our support for this vibrant cultural event is a natural outgrowth of our commitment to diversity and inclusion.

We have 1,100 students from about 100 countries. Aside from the United States, India provides the most students – nearly 200. We also have several internationally recognized faculty members from India.

Our dynamic multicultural atmosphere yields innumerable benefits. It substantially raises the quality of education and research across the spectrum, from the STEM fields to our Strome Entrepreneurial Center. And it broadens our students' experiences outside the classroom, offering a wider worldview that will prepare them for the work world.

Asian Indians of Hampton Roads also serves as a powerful advocate for diversity and inclusion.

AIHR has helped people of Asian-Indian origin adapt to and thrive in Hampton Roads, with lectures and workshops on subjects such as economic developments and voter registration. At the same time, the organization has introduced the wider community to Asian-Indians' rich cultural heritage through events such as today's festival.

Thank you for participating, and I hope you enjoy the sights, sounds and tastes of India Fest 2016.

Sincerely,

*If roses grow in Heaven
Lord please pick a bunch for me
Place them in my mother's arms
And tell her they are from us.
Tell her I love her and miss her
And when she turns to smile
Place a kiss upon her cheek
And tell her that kiss is from me.*

*Mom as I was child you held my hands for a while
And stayed in my hearts forever.
Your loving memory, we'll always miss you*

NSF Youth excelling in various contests

From NSF's creation of US educational contests in 1993, its mission has always been to bring out the academic potential of all its students. Since each NSF contest is designed to resemble other popular competitions in the same subject area, we believe it encourages students to study for and participate in the other contests as well. For example, by studying for NSF's spelling bee, a child is also studying for Scripps, and vice versa.

NSF welcomes : you to actively participate in our Virginia Beach chapter activities

Pulling together towards a bright future for Hampton Roads.

Let us be part of your team as you chart a course for your philanthropy.

Since 1950 we have worked with Hampton Roads donors from all walks of life and their advisors to craft lasting charitable legacies. Thanks to their generosity, last year we put \$19 million to work helping others through grants and scholarships.

Bequests, IRA gifts, donor-advised funds, scholarship funds and private foundation alternatives are among the possibilities. Our expert advice is free and in total confidence.

Nepalese Community of Hampton Roads (**NCHR**)
is pleased to join hands with
AIHR for various cultural events and charity programs.

One such remarkable charity program was
Nepal Disaster Relief Fund (NRDP),
which AIHR organized to raise funds to support
April 2015 earthquake victims in Nepal.

The program was held on
Friday, June 5, 2015 and it was successful in raising
gross amount of **\$38,180**.

After deducting various expenses,
AIHR and NCHR were able to send **\$34,424.50**
to Nepal through trusted beneficiaries—
Red Cross, Prime Minister's Relief Funds and
Help Nepal Network.

NCHR thanks AIHR
for such an impactful support to the Nepalese people, and
looks forward to future collaborations
for more noble and humanitarian programs.

ECONOMIC DEVELOPMENT

Our Mission Statement

Chesapeake Service System's mission is to provide work opportunities in an environment that will stimulate development and improve the health and quality of life of people with developmental disabilities.

Our Vision

Chesapeake Service System's vision is to make sure that all persons with severe disabilities are accepted into their communities and seen as equal. This can only be done by eliminating the negative stereotypes that people have regarding people with disabilities.

We do this by providing opportunities for people with severe disabilities the chance to reach their full potential in work activities that they enjoy.

It is our belief that every person with a disability is a whole person and has the same hopes and dreams that each person has.

Work is essential because it gives the person with the disability a sense of worth and dignity. Every person with a disability has the right to work because without work, people lack self-esteem. Without self-esteem and confidence people do not develop properly.

We believe service delivery systems need to merely stop trying to help people with disabilities, but rather, help people with disabilities help themselves. To help a person with a disability lasts a day, to help them to help themselves, or gain dignity and self-worth, will last a lifetime.
